

CCMTFC The Squeaky Spoke April 2017

2017 Model T Ford Dues are Due. National and Local

Richard Harvey led us a a great Wild Flower tour the first of April. We departed Templeton about 9:30 and met up with a few others in Creston. We then drove out O'Donovan Road where quite a few Lupines were on both sides of Hiway 58. We were treated with an unkown person that passed the 9 of us in a row at about 90 mph. We were not sure if he wanted to show us how fast he was or how dumb he is - maybe both. The flowers along Shell Creek were lovely again this year. Here are our four wonderful T's.

Richard won the prize for having his car most closely matching the dominant flower color. Next year we will try to find some Black Lily's to show him up.

We continued out the North end of Shell Canyon into Shandon wher we could buy Burrito's at a market or sanwiches at a small deli. We gathered in Shandon Park to eat our lunch and visit.

Of our 9 cars we had 4 T's, 4 A's, an early Ford V8, and a Crown Fire Truck. Another good day of touring where we did not need a Fire Truck, Ambulance, or Tow Truck. It was excellent weather for open cars, closed cars with the windows down or a Fire Truck.

Saturday, Feb 25 the Paso A's will meet for our regular meeting at the Pioneer Museum at 10am and then tour to Paso Airport to visit the CHP operation and have lunch at the 1 niner diner (Joe's at the airport. You are welcome to join us for any or all of these activities. Bob

Upcoming events: April 22 T's welcome to all events

Sagebrush days in San Miguel

Paso A's regular meeting in the Pioneer Museum at 10 am, tour to Parkfield for lunch

For Sale Jack Hotelings family has this running Chassis and parts for sale. more info next Month.
